LB 810

this section was supposed to say that the only way for someone to sue a political subdivision, for the person to follow a specific procedure of the political subdivision tort claim act. At presently written, however, this section begins by saying one must use the specific procedure but ends up saying this same person cannot use these procedures. Actually, what this does, it merely clarifies it so that it is possible for the suit to be on tort.

SENATOR SAVAGE: Is there any further discussion? Seeing none, the question is the advancement of LB 810. All those in favor vote aye, opposed vote nay. Please vote. Have you all voted? Savage voting aye and record.

CLERK: Senator Savage voting aye. 25 ayes, 0 nays on the motion to advance, Mr. President.
